

An Exciting New Fundraising Opportunity for Schools from Green Capes Lions Club

Would your school like to raise money and support the Lions Foundation of Canada Dog Guides in their mission to provide service dogs free of charge to Canadians with medical or physical disabilities? We have a proven fundraiser you will love. Green Capes has been producing and partnering with non-profits to sell these beautiful calendars since 2018 and would like to invite your school to join us.

Your School earns \$10 for every \$20 Calendar Sold!

Who can resist a calendar full of puppies? They make great gifts. Your families will love knowing that each calendar sold not only raises funds for your school but also helps these future superheroes bring independence to a person with a disability!

What a great way to teach our students about helping others while raising funds for our school. These adorable calendars practically sell themselves.

GREEN CAPES LIONS CLUB

GreenCapes.com

Green Capes LC is a virtual special interest Lions Club dedicated to supporting Lions Foundation of Canada Dog Guides through fundraising and service. Since 2018 we have raised over \$490,000 and sponsored several service dogs. Our major service project is the annual Green Capes Dog Guide Puppy Calendar

All funds raised support:

Lions Foundation of Canada Dog Guides

Dogguides.com

Lions Foundation of Canada Dog Guides empowers Canadians living with disabilities to navigate their world with confidence and independence, by providing a Dog Guide at no cost and supporting them in their journey together. Located in Oakville, Ontario with a breeding and training facility in Breslau (between Kitchener and Guelph), we are the only school to train Dog Guides in seven distinct programs. From breeding to rearing and training with a lifetime of follow-up services, each Dog Guide is \$35,000 to train and place. The Foundation relies on donations to provide these special matches and does not receive any government funding.

LFC Dog Guides has seven programs: Canine Vision, Hearing, Seizure Response, Diabetic Alert, Service, Autism Assistance and Facility Support
